As you are well aware, you have been an important team member in our efforts to obtain information with respect to a contemplated complex multi-million civil action in the United Kingdom.

Your highly professional and accurate work has helped us to make substantial progress in our efforts in said matter.

Although the matter is far from being complete, we have now reached a milestone, and I believe it is appropriate that I convey you our thanks for a job well done.

In view of the excellent results you have achieved in this matter, I'll be happy to consider your services in future cases.

Very truly yours,

DAVID EPSTEIN
